TRUSTEES' MEETING

HEAR PROTESTS AGAINST IMPROVEMENT OF STREETS—ISSUE WAR PROCLAMATION

The regular meeting of the board of trustees of the city of Glendale was held in the City Hall, Thursday evening, April 5, 1917. Present, J. S. Thompson, president of the board, and Trustees Chas. Grist, R. M. Jackson, F. L. Muhleman, G. B. Woodberry. Also present, J. C. Sherer, city clerk, T. W. Watson, city manager, W. E. Evans, city attorney, H. B. Lynch, manager of the public service department, Edw. M. Lynch, city engineer, G. H. Herald, city marshal, A. H. Lankford, fire marshal.

The minutes of the last regular meeting were read and approved.

On motion of Trustee Woodberry, it was ordered that protests on Elrose street improvement be heard at this time. A protest was presented and read from Henry L. Grafious. Mr. Adams, representing property owners on this street, addressed the Board, favoring the work. On motion of Trustee Muhleman, it was ordered that protest be denied by the following roll call: Ayes, Grist, Jackson, Muhleman, Thompson, Woodberry. Noes, None.

On motion of Trustee Muhleman, the hearing of protests against improvement of Third street was taken up and a protest was presented and read signed by a number of property owners on that part of Third street proposed to be improved. Mr. Mattison B. Jones addressed the Board on behalf of the protestants, stating that objection to doing the work at this time is based entirely upon present financial conditions which would make it a hardship upon the property owners concerned to go ahead with the work. Trustee Woodberry expressed the opinion that now is the most favorable time for making these improvements on account of the fact that contractors are now contracting at very low rates for such work and in the present instance the improvement can be made with unusual advantage on account of being taken in connection with other similar work in the city. The total frontage represented on the street to be improved was stated by the City Engineer to be 1360 feet, there being 839 feet of frontage on the petition of protest. On motion of Trustee Jackson, it was ordered that the request of the protestants be granted, and that proceedings for the improvement of a portion of Third street be abandoned.

The City Manager suggested the advisability of having temporary work done upon this street on conditions that the owners of the frontage pay for the oil required for the work. It was informally agreed that this matter be further considered by the property owners and the City Manager.

On motion of Trustee Grist, the hearing of protests against the improvement of a portion of Ninth street was ordered to be taken up. A petition was presented and read signed by a large number of property owners along the line of the street proposed to be improved. Mr. W. R. Chandler addressed the Board in support of the protest, stating that in his opinion there is no immediate necessity for the improvement, and that the poor condition of the street is largely the result of the fact that the street had not been properly repaired by the water department after ditches had been made for the laying of water pipe. Mr. E. S. Ayres stated that he and other purchasers had bought property on that street with the understanding that the necessary street improvements had already been made, and objected to any additional expense for improvement at this time. Rev. J. H. Henry spoke in favor of the protest, basing his objections entirely upon present financial conditions. The matter of temporary work on the street on the basis of payment by the property owners for the oil used in the work was briefly and informally discussed by the City Manager and the protestants. Trustee Woodberry stated that the matter of street improvement and repair work is probably not generally understood by the people; that much of the street improvement in the City of Glendale has been done at a very low cost under specifications permitting of cheap work, and that it could not be expected that work done originally at a cost of two to three cents per square foot should have such money spent upon it from the General Fund in repairs as work which originally had cost from 20 to 30 cents per square foot.

On motion of Trustee Grist, the request of the petitioners was granted and it was ordered that proceedings for the improvement of a portion of Ninth street be abandoned.

On motion of Trustee Muhleman, it was ordered that the hearing of protests against the improvement of a portion of Burchett street be taken up. Two protests were presented signed by the owners of two of the lots along the frontage of the proposed improvement. On motion of Trustee Jackson, it was ordered that protests against the improvement of a portion of Burchett street be denied.

On motion of Trustee Grist, it was ordered that protests against the improvement of a portion of Pacific avenue be read at this time, and protest was read from A. R. Shepherd and O. W. Newby. The latter was present and addressed the board in favor of the protests, stating that in his belief the time is not opportune for such improvement. As the protestants represented a majority of frontage on the portion of the street to be improved, it was ordered, on motion of Trustee Woodberry, that the petition of the protestants be granted and the proceedings abandoned.

Communication was read from L. Z. Taylor making application for permit to operate motor bus, which, being approved by the City Manager, was, on motion, ordered to be granted.

A communication was read from the League of California Municipalities calling attention to the fact that the State Legislature has just passed a measure known as Assembly Bill No. 697 requiring all ordinances to be published in a newspaper of general circulation three times instead of leaving it optional with the cities to publish or post their ordinances. The communication further stated that the bill is now in the hands of the Governor and suggested that if its adoption is considered undesirable, a protest be forwarded to the Governor at once to that effect. On motion of Trustee Woodberry, the City Manager was instructed to send a telegram to the Governor protesting against the adoption of the proposed law.

Communication was read from J. R. Williams of the County Board of Charities, accompanied by a copy of a letter from State Attorney General Webb advising that in his opinion a city of the sixth class has under its police power authority to spend money for certain charitable purposes, particularly for the support of minor orphans, half orphans, abandoned children and aged persons in indigent circumstances as stated in Section 22 of Article IV of the Constitution. On motion, the communication was referred to the Finance Committee.

Mr. C. L. Chandler appeared before the Board, stating that he is the owner of a piece of land, one-half of which is in the City of Glendale and the other half in Tropico, requesting that the City of Glendale supply him with irrigating water for the whole tract. Upon motion, the request was referred to the Committee of the Whole.

Mr. Newport of the F. P. Newport Land Company addressed the Board in reference to the proposed ordinance regulating the construction of cesspools and sanitary conditions generally in Verdugo Canyon. He expressed his objection to the ordinance as promising to cause a great deal of trouble for residents of that section, and stating that it is the intention of his company in the near fu-

A. L. TREAT SUICIDES

TAKES HIS LIFE WHILE ALONE AT HIS GLENDALE HOME LAST NIGHT

The many friends of A. L. Treat, including his comrades of N. P. Banks Post G. A. R. were surprised and grieved when they learned this morning that he had taken his life some time during the night. His neighbor, W. L. Henderson, went to Mr. Treat's home, 102 Geneva street, this morning and found the lifeless body lying across the bed. He was garbed in his night clothes and his hand still grasped the revolver with which he had shot himself in the right temple.

Mr. Treat had been living at the home of his step-son, E. A. Moulton, in Los Angeles for some months and had just returned to his home in Glendale a few days ago. Thursday evening he visited at the Hendersons until half past eight, when he seemed to be in his usual health although rather nervous. Mrs. Treat passed away about a year ago and Mr. Treat brooded over her death. Neighbors think they heard the shot before midnight but thought nothing of it at the time.

In his room was found a note reading as follows: "My will, dated April 6, 1917. All I have in this world I give to Mr. and Mrs. E. A. Moulton to have and to hold forever. Signed, A. L. Treat. Note: I want to be with my dear Mumpsey. I owe no man anything but love and good will."

The remains are at the Pulliam Undertaking Parlors awaiting instructions from the coroner.

WAR IS FORMALLY DECLARED

PRESIDENT SIGNS JOINT RESOLUTION AT 1:13 AND ISSUES PROCLAMATION TO THE AMERICAN PEOPLE

(Special Service to Glendale Evening News)

WASHINGTON, April 6.—President Wilson signed the declaration of war with Germany at 1:13. The president signed the resolution one hour after Vice-President Marshal had affixed his signature to the document. As Wilson signed the joint resolution officials signalled to the naval building that war had been declared. Orders were immediately wirelessed to all government ships and forts. Wilson was alone in the White House library when he performed this momentqus deed. Immediately after he issued a proclamation to the American people declaring that a state of war exists and asking "loyal devotion to the country dedicated from its foundation to the principles of liberty and justice, to uphold the laws of the land and to give undivided and willing support" to all measures the government may adopt "in prosecuting the war to a successful issue and attaining a secure and just peace." He also warns all aliens to conform strictly to all regulations provided by law and directs all civil and military officers to exercise extreme vigilance. The State Department has notified the Swiss minister of the declaration of war and he will formally notify Germany.

(Special Service to Glendale Evening News)

NEW YORK, April 6.—All German ships in American waters have been seized and their crews detained. This was the nation's first act of war. Most of the ships seized were built for auxiliary cruisers. This will be a great aid in solving the American transport problem. The machinery of several of these vessels was found to have been damaged by the crews.

(Special Service to Glendale Evening News)

RIO DE JANEIRO, April 6.—The sinking of the Brazilian steamer, Parana, and the killing of three Brazilians has aroused strong feeling here. Brazil may declare war on Germany and seize German ships in Brazilian waters. If this should be the case, it is believed that Bolivia would follow.

WILSON APPROVES WAR PLANS

WAR DEPARTMENT WILL RAISE A FORCE OF TWO MILION MEN BY VOLUNTARY ENLISTMENT

(Special Service to Glendale Evening News)

WASHINGTON, April 6.—President Wilson issued a statement to-day approving the war department plans for raising 2,000,000 men. The plan is to raise the required number by volunteer enlistments for a period of the emergency until a selective draft can be used in bringing in men between the ages of 19 and 25. Quotas will be drawn from the different states according to their population. No attempt has been made to perfect a permanent policy owing to the emergency.

LLOYD-GEORGE WIRES PRESIDENT

BRITISH PREMIER FORMALLY ACKNOWLEDGES ENTRANCE OF UNITED STATES IN WAR

(Special Service to Glendale Evening News)

LONDON, April 6.—Premier Lloyd-George in behalf of the Imperial War cabinet wired recognition of America's entrance into the war. "America waited until she found the cause worthy of her traditions and the realization that this is a war to vindicate human liberty and human rights," he said in part.

WOODEN WEDDING

MR. AND MRS. WILL H. HILLMAN CELEBRATE FIFTH WEDDING ANNIVERSARY

Wednesday evening, April 4, Mr. and Mrs. Will H. Hillman of Paloma street, Tropico, celebrated their fifth wedding anniversary. Thirty guests responded to the invitations of birch-bark. The wooden idea was cleverly carried out in the games, one being to guess the names of twenty-five articles from pictures on the walls. For another game birch-bark hearts decorated with roses were the score cards. The four prizes were all wooden toys. The refreshments were served on wooden plates and the favors were little wooden nut bowls filled with pink candies. Even the cakes were decorated with wooden ornaments.

Pink flowers with Cecile Bruner roses predominating were used about the Hillman home, just as they were at the time of the wedding.

The Hillmans received a variety of presents, from toothpicks and clothespins to mahogany trays and candlesticks.

GLENDALE HOME GUARDS

Sargeant H. Schenck of 200 West Ninth street, Glendale, who has been allowed a 60 or 90 day furlough, has volunteered to organize and drill a company of home guards in Glendale. Sergeant Schenck appeared before the Board of Trustees of the City of Glendale Thursday evening and asked permission to organize such a guard. Permission was granted, and Sergeant Schenck has called a meeting for 7 o'clock this (Friday) evening, at the corner of Brand and Broadway, south and opposite the Pacific Electric station.

This company will largely comprise married men who will not likely be called farther from home than San Pedro. Sergeant calls attention to the importance of a well-organized home guard so that in the case of local riots, a body of trained men can be called upon to subdue local riots arising from unsettled war conditions.

J. M. Wood and son, C. M. Wood, of 740 Verdugo road, returned Thursday evening, in their touring car, from Phoenix, Ariz., where they had spent two weeks. They were accompanied to Glendale by Mrs. Chas. F. Rader of Denver, Colo., who met them in Phoenix. Mrs. Rader is a sister of Mrs. Chas. Wood. She will visit here indenfiitely.

ture to install a sewer system, as they are anxious to have the problem of the protection of the water supply settled satisfactorily and that his company desires to act in harmony with the city to attain the desired object. Trustee Woodberry, chairman of the committee, to whom the matter had been referred, made a report stating that Judge Ross had been consulted as having large land interests in that section and had in a general way agreed to a plan proposed for the disposal of the sewage, but desired further time for the consideration of the matter. Mr. Woodberry believed that by next Thursday the committee would be able to report more definitely what could be done.

On motion of Trustee Woodberry, it was ordered that bids for city printing be opened, read and publicly declared. The following bid was received from the Glendale Press, per Frank S. Chase:

"In accordance with call for bids for legal printing, will do the same for the coming year at 10c per inch."

The following bid was opened and read from The Glendale Evening News and Tri-City Progress, by A. T. Cowan, publisher:

"All resolutions, ordinances and notices requiring to be published in a daily paper—first, second and all subsequent insertions, single column, 13 ems pica, 8-point type, per inch 35 cents.

"Publications and notices not required to be published in a daily newspaper will be published in the Tri-City Progress for first and subsequent insertions, single column, 13 ems pica, 8-point type, per inch 10 cents.

"Extra printed copies of such publications as may be necessary will be furnished, and if any serious errors occur for which the printer is responsible, he agrees to publish the same without extra charge to the city."

On motion of Trustee Jackson, it was ordered that a contract be entered into with the Tri-City Progress for all publications as are not required to be made in a daily paper,

KLAMM-BAKER

MISS ETHEL BAKER AND JOHN KLAMM ARE MARRIED AT HOME WEDDING

A quiet but very pretty wedding was solemnized at the home of Mr. and Mrs. Louis L. Baker, 519 South Brand boulevard, Tropico, Thursday evening at 8 o'clock, when their daughter, Ethel Emily Baker, became the bride of Charles Klamm, son of Mr. and Mrs. John Klamm of 235 East Broadway, Glendale. Only the immediate relatives of the contracting parties witnessed the ceremony, which was performed by the Rev. Don S. Ford of the First Methodist Episcopal church of Tropico. The house was prettily decorated in white flowers and the bride wore a white crepe de chine gown and carried a shower bouquet of lilies of the valley. The groom is foreman of the engraving department of the Brock Jewelry Company of Los Angeles, and both bride and groom are popular among a wide circle of friends in Glendale and Tropico.

Twenty-six sat down to the elaborate wedding supper served after the ceremony and did full justice to the turkey and accompanying good things, while expressing their good wishes for the future of the newly wedded couple. The immense bride's cake was decorated with appropriate symbols of the happy occasion, and in the center of the ice cream were dainty red wedding bells. The happy couple departed for San Diego on a honeymoon trip and on their return will take up their residence in the pretty bungalow the groom has built and prepared for his bride at Central avenue and Gardena, Tropico, where they will be at home to their friends in about two weeks.

She leaves to mourn her death, three sons and two daughters, Ernest and Louis Wardell of Glendale and Frank of Adrian, Mo., Mrs. A. K. Crawford of Glendale and Mrs. Nellie Cup of Smithsville, Canada.

The deceased was a member of the Christian church of Glendale and a charter member of the Cameron, Mo., Christian church.

Services will be held at the parlors of the Jewel City Undertaking company, Saturday at 2 p. m. The remains, accompanied by Ernest Wardell, will be shipped to Cameron, Mo., for burial.

PROCLAMATION

The Board of Trustees of the City of Glendale in regular meeting assembled this fifth day of April, 1917, hereby adopt the following as an expression of its sense of duty due to the people of Glendale:

Whereas, Our Nation is about to declare that a state of war exists between the Imperial Government of Germany and the United States of America, and from reports we are led to believe that preparations are being made rapidly for the entrance of the United States into the conflict now raging upon the high seas and in the Old World; and,

Whereas, By reason of dangers imminent from internal strife as well as those external, we deem it the part of wisdom to protect our people from attack whether the same be from internal or external foes;

Therefore, A meeting of the people of the City of Glendale is hereby called to be held at the council chamber of the City Hall of the City of Glendale on the tenth day of April, 1917, at 8 o'clock p. m., for the purpose of devising ways and means to afford such protection as may be needed in the event of open hostilities, by the formation of one or more companies of citizens willing to spend some time each week or as often as may be deemed necessary in drilling and making preparation for the defense of our homes, should the same become necessary, or for the taking of such other action as may in the good judgment of our citizens be necessary to properly safeguard the people and their homes.

All citizens are earnestly requested to attend this meeting and secure the co-operation of all men available who are willing to offer their services in that behalf.

GLENDALE, CALIFORNIA, FRIDAY, APRIL 6, 1917

CHRISTIAN CHURCH MEETINGS

"In the Shadow of the Cross" was Brother Cole's theme last night and he vividly portrayed the sad events of that last momentous night in the Savior's ministry, drawing needed lessons therefrom. Tonight the subject is "On Trial," and in this address the speaker will tell of Christ's various illegal arraignments before judicial and priestly judges. It will be a sermon well worth hearing, as have been all that preceded in this great series.

The children are especially invited and will be given prominent seats. Special music. Everybody cordially invited.

Among the names of candidates announced for offices in the Friday Morning Club of Los Angeles is that of Mrs. Luther Brown of 128 North Louise street, Glendale.

GREAT MUSICAL EVENT

The crowning musical event of the season will take place at the Presbyterian church, corner Broadway and Cedar street, Easter Sunday evening at 7:30, when Glendale will be favored with the production of a magnificent cantata, given by the choir of the Presbyterian church, under the able direction of Mr. A. M. Z. des Plantes.

"Olivet to Calvary," by J. H. Maunder, ranks first among the cantatas now known. The choir has worked hard and earnestly for a long time to make the rendition of this beautiful work the best, and unusual enthusiasm has been shown from the beginning.

Mr. des Plantes took up his work as musical director in the Presbyterian church the first of last December, and since that time the music has been greatly improved.

Mr. and Mrs. W. G. Watson moved Wednesday from 405 South Glendale avenue to 320 South Cedar street.

Personals

Mrs. J. W. Durham of 1679 West Seventh, and Miss Florence Hollingsworth of 1717 Vine street, went to Redondo today to spend a week.

Mrs. C. E. Hutchinson and sons, Ralph and Paul, and Sidney Chambers, drove to Brookside this morning for a day's outing.

The many friends of Mrs. C. W. Kimberly of 345 South San Fernando road, Tropico, will regret to learn that she has been ill the past few days.

Mrs. John H. Orth and daughters, Misses Marcella and Hettie, and Mr. and Mrs. John Graham, left this morning to spend the day with Cleveland, Ohio, friends in Riverside.

Mrs. C. R. Norton of 373 West Third street, who has been sojourning at Hermosa Beach the past few weeks with the family of her son, is expected home to-morrow to lift the burden of housekeeping cares from the masculine shoulders where it has rested during her absence.

Mr. and Mrs. A. M. Beamon of 245 Maryland avenue were dinner guests of Mr. and Mrs. Verne Pentecost of Crenshaw boulevard, Los Angeles, Tuesday evening.

The friends of Dr. D. Dungan, who returned to his home here a few weeks ago from Honolulu, will be glad to learn that he is slowly regaining his strength and was able to take quite an outing in his wheeled chair. He is now able to take a few steps.

Mrs. W. A. Heitman and Miss Olive Backus of Los Angeles were luncheon guests of Miss Ida M. Waite at Hotel Gray today. Mrs. Heitman was Miss Waite's school teacher in Chicago and the visit with her former pupil was fraught with many fond memories and associations.

Glendale Lodge of Odd Fellows put on the initiatory work of the lodge last night, when Louis G. Scovern was received into the membership of the lodge. At the conclusion of the lodge ceremonies an appetizing repast was served and the way it vanished was a proof of its enjoyment. There was a good attendance of members and every one present spent an enjoyable evening.

Mrs. M. E. Johnson, president of theWednesday Morning club of Los Angeles, gave a very amusing and enjoyable talk on "The Tenderfoot in Politics," at the meeting of the Thursday Afternoon club at Tropico, yesterday afternoon, telling of her personal experiences in politics. Mrs. Woolsey, the first vice-president, presided, the president, Mrs. Kimberly, being ill and unable to be present. The usual social hour and light refreshments followed the business of the club and program.

Mr. and Mrs. V. Price Brown and Mr. and Mrs. Robert White attended the wedding of Miss Nell Virginia Robb, who was formerly a resident in Glendale, and Charles M. Butz of Cincinnati, Saturday, March 31, in Los Angeles, the ceremony being performed at the Harbor Apartments. After touring Southern California, Mr. and Mrs. Butz will make their home in Cincinnati. The bride, who lived in Glendale with her aunt a few years ago, was popular among the younger set of our city, and the good wishes of many friends will follow her to her Eastern home.

Mrs. Henry P. Goodwin of 142 West Tenth street, Tropico, was hostess to the Wednesday Auction Bridge Club, the members of which spend delightfully informal afternoons at the homes of the members. The decorations of white iris and white lilies were daintily suggestive of spring, as well as of the Easter season. Dainty refreshments were an added enjoyment to the pleasant afternoon. Mrs. Evans won the highest score at bridge. The guests for the afternoon were Mrs. A. M. Beamon, Mrs. Warren Roberts, Mrs. Emil Tholen and Mrs. Perce Curtis, and the members present were Mrs. Laurence Ellis, Mrs. A. D. Pearce, Mrs. W. E. Evans and the hostess, Mrs. Goodwin.

TRUSTEES' MEETING

(Continued from Page One)

in accordance with bid.

On another motion by Trustee Jackson, it was ordered that a contract be entered into with The Glendale Evening News for printing ordinances, resolutions, etc., such as required by law to be published in a daily newspaper, as per bid.

The City Engineer presented a map of Tract No. 2708, a tract of land situated in La Canada, accompanied by a letter recommending its adoption.

On motion, Resolution No. 842, "A Resolution approving Map Tract No. 2708," was taken up for reading. On motion of Trustee Grist, the same upon being read was adopted.

The City Manager made a report, accompanied by a copy of the letter which had been addressed by him under the instructions of the Board to the F. P. Newport Company as to the policy of the Trustees of the City of Glendale in regard to the protection of the City of Glendale's water rights in Verdugo Canyon. On motion of Trustee Woodberry, the report of the City Manager was accepted and the letter forwarded to Mr. Newport by the City Manager was endorsed and adopted, and it was further ordered that a copy of the said letter be spread upon the minutes.

The City Maneger reported in regard to the labels upon milk containers, that State law does not seem to entirely provide for the requirequirements of the case, and on motion of Trustee Muhleman, the matter was referred to the City Attorney in conjunction with the City Manager for consideration, and it was directed that an effort be made to have the defect in the law, if such exists, remedied.

The City Manager made a report in reference to the contract with the city band, and upon motion of Trustee Grist, he was directed to prepare a contract with the band for one year, providing for the payment to the band of the sum of $30 monthly, in return for which the city is to be furnished twelve band concerts.

The City Clerk reported having been served with a notice of the filing of a suit by A. C. Robinson against the City of Glendale for the purpose of quieting title to certain water pipes in North Glendale. On motion of Trustee Jackson, the City Attorney was requested to take the matter up with Mr. L. C. Brand, who had agreed with the city to protect its interests in the matter.

The City Attorney made a report upon the matter referred to a committee of which he was a member, some weeks ago, in regard to alleged violation of the city's liquor ordinance by one or more social clubs or societies in the city. The City Attorney reported that he had been informed by representatives of the organization particularly complained of that in their opinion no violation of the ordinance had taken place; that the custom complained of was only occasional, that no intoxicating beverages of any kind had ever been served for money consideration, and if ever served at all has been done in connection with other refreshments which the organization had furnished to its members and guests. On motion the report was accepted and the committee discharged.

The Public Welfare Committee, by Trustee Muhleman, made a report in regard to gasoline pumps. The committee had visited Pasadena and given the matter considerable attention, and was of the opinion that the installation of such pumps on the streets should be prohibited on all frontage on Glendale avenue, Broadway and Brand boulevard within Fire District No. 1. On motion of Trustee Woodberry, the report to the committee was received and adopted.

On motion, Ordinance No. 308, "An Ordinance of the City of Glendale, providing for the protection of the purity of the water in Verdugo Canyon, prohibiting the erection or construction of cesspools, vaults, etc., in certain portions of said canyon, and providing for the observance of certain sanitary conditions in certain portions of said City," was taken up for third and final reading, and upon being read was on motion of Trustee Jackson, adopted.
